ELECTRICITY DEPARTMENT
OFFICE OF THE CHIEF ELECTRICAL ENGINEER**

Head Office, 3rd Floor, Vidyut Bhavan, Tiswadi, GOA 403001 Tel:2234155,2224680/EBAPX:2426421,2422353,2426022|| Fax:2426986, 2222354||| Email::cee-elec.goa@nic.in: website:: http://www.goaelectricity.gov.in/http://59.90.104.90

No.51(3)/CEE/Tech/PLG/2017-18/ 443

Dated: - 14 /07/2017

CIRCULAR

Sub: Submission of Estimates to Government for sanction.

A number of estimates are noticed being prepared and submitted on the instructions of the Local MLA, Panchayat Members, and other local bodies and are mounting unnecessarily for sanction from Government although there are already pending estimates submitted by your office and which inturn provides a false notion to the concerned that the estimates are being submitted. This also entertains uncalled for, queries from them from time to time, even though financial constraints restrict the number of estimates to be submitted.

In view of the above, all Divisional officers are directed not to prepare any such estimates without the prior instructions of the Undersigned. If any such estimate is found necessary as per the Divisional Officers view, it may be brought to the notice of the Undersigned with supporting facts and sketches from the technical point of view after which the Undersigned would decide and convey the necessary instructions for further action.

Further any sanctioned estimates pending at the Division level should be executed on top priority and timely completion should be strictly ensured. No new estimates should be submitted for obtaining sanction from the Government unless the earlier backlog is cleared.

These instructions shall be implemented with immediate effect and the Divisional Engineers shall be held responsible, if not complied.

(N N Reddy)
Chief Electrical Engineer
